REMINDER

Recently, application 09/580700 was received in Classification Unit 2109/2609 for reconsideration of a post classifier or panel decision.

MPEP 903.08(d) states the following regarding post classifier reconsiderations:

Generally, decisions by post classifiers are final; no reconsiderations are permitted.

For TC2100 and TC2600: Exception to this general rule will be permitted only in the instance where it is strongly felt by the receiving AU (and substantiated by particular reasons) that the case is more properly assigned elsewhere. In that instance, the case should be routed to the 2109/2609 gatekeeper via your SPE with the particular reasons for reconsideration.

MPEP 903.08(d) also states the following regarding panel reconsiderations:

Request for reconsideration of the decision of the panel will be considered ONLY in the event that a TC has not had the opportunity to review the application prior to the decision from the panel. Reconsideration must be requested within 2 calendar weeks of the receipt in an art unit of a decision of the panel.

In the future, please follow these guidelines before forwarding a case for reconsideration.

Thank you for your cooperation.
